Demystifying the Parallel Pen Come learn what a great tool the parallel pen truly is. We will explore the many things this versatile tool is able to do from color blending to using different products other than ink in it - you will be surprised. Please bring any parallel pens and color cartridges you have (you will need at least one pen for the workshop). I will provide many different mediums for you to experiment with along with a paper-packet and notes. Suzie Beringer
Sunday Jan 8 11:30 to 2pm \$28

Chip Board Album: A 6 x 6 album with rounded edges, fold out pages, pockets and tags. This mini album that is so fun to make, you won't be able to just make one. Please bring paper trimmer, adhesive of your choice and basic tool kit.

Sunday Feb 19 11:30 to 3pm \$45 Laurie Stewart

Color for Whimsical Letters For those who enjoyed the Whimsical Letters class--we didn't color enough! Relax and play, applying a variety of coloring techniques to your whimsical letters using your favorite products. We will work with a variety of papers and learn some simple drawn designs for embellishment. Letter construction will be reviewed. **Must have already taken Whimsical Letters class. Supply list.** Christy Schroeder
Saturday Feb 25 10:30 to 4:00pm \$40 lunch break included

Calligraphy Study Sessions Designed for those who have previously taken calligraphy classes from Christy, the study sessions provide you the opportunity and encouragement to continue your practice and/or projects in a motivating class environment and receive feedback, guidance, and critique individually with Christy. Participants will guide the direction of their independent study based on their questions and what they wish to work on. Please note: this is not a calligraphy instruction class for new students. 4 week class
Thursdays Mar 1 to Mar 22 6 to 8:30 pm \$60 Christy Schroeder

Akim (uh-keem) Cursive A monoline form with a swinging rhythm, Akim Cursive is a simple yet eye catching contemporary lettering style developed by German calligrapher Hans-Joachim Burgert. A fun style for cards, journaling and scrapbooking! No calligraphy experience needed! See store for sample. Please bring pencil, eraser, and lined paper.

Saturday Mar 3 11 to 2pm \$30 Christy Schroeder

Pushing the Limits Now that you have demystified the Parallel Pen, we will push the limits with this cool tool. This advanced class will focus on using a variety of unique mediums and how to get them to work. We will be using many products you may already own as well as others you wouldn't think to try. I will supply all of the mediums that we will be working with along with the paper. This will be a fun class full of color and potential that will really show you how versatile this tool is.

**Prerequisite "Demystifying the Parallel Pen" class required
Supply list is required - Please ask** Suzie Beringer

Sunday Mar 4 11:30 to 2pm \$40
